

IF IT'S NOT RAIN, IT SHOULDN'T DRAIN!

Stormwater Runoff Is Not Treated

Stormwater runoff flows directly into waterways, carrying pollutants such as trash, oil, pet waste, paint, and yard debris downstream, which is considered an illicit discharge.

WHAT DRAINS IN HERE

ENDS UP HERE

Simple Steps for Cleaner Stormwater

- Report Illegal Dumping Activities
- Properly Dispose of Pet Waste
- Bag Grass Clippings and Yard Debris
- Drain Pools and Spas Into the Sanitary Sewer System in Accordance with Your Local Ordinance/Rate Order
- Properly Dispose of Used Automotive Fluids and Batteries
- Rinse Paint Brushes or Paint Cans Indoors
